The object of the Consortium of the Institut Ramon Llull (the "Institut Ramon Llull") is to raise the awareness of and disseminate the Catalan language and culture in all its expressions outside the Catalan-speaking areas. In order to achieve its objectives, the Institut Ramon Llull will provide support for external relations policies in the cultural field of consortium member institutions.

By Decision of the Board of Directors of the Consortium of the Institut Ramon Llull dated 27 March 2024, the amendments to the terms and conditions governing the awarding of grants by the Institut Ramon Llull for international residency projects in the fields of the visual arts, performing arts, film, music, design and architecture were approved.
